*Your Kitchen Ventilation Specialists*

[WWW.VMI-INC.NET](http://WWW.VMI-INC.NET)

*VMI is a manufacturer and distributor, specializing in Kitchen Ventilation and related products.*

At VMI Inc., we are inspired by conversations with our customers. We gain momentum in our work through understanding what our customers need. We draw strength from the connections and commitments with talented industry professionals through collaboration.

We do everything within our power to make sure our customers have all the information needed to make the proper decisions regarding their Kitchen Ventilation purchase. We have one of the largest selections of blower packs and color options - more than anyone in the industry.

We also offer a large selection of unfinished wood hoods, in both standard and custom styles. Our staff has more than 25 years of experience in kitchen ventilation products. Our customer base includes major Kitchen Cabinet Manufacturers throughout the U.S and Canada.

KraftMaid/Masco, Yorktowne, Kitchen Craft, Medallion, Wellborn, Armstrong, and Huntwood Industries are just a few of our major customers.

In addition to our large O.E.M. customers, we also have more than 250 dealers that include small custom cabinet shops, kitchen and bath dealers, designers, and contractors. Due to our expansive customer base, we have more standard size liners to choose from than our competitors. We also have an amazing custom liner program for those hard to fit jobs.

We strive for timeless designs and innovation of kitchen ventilation systems that fit with our customer's surroundings, carefully attuned to their needs, and contributes to making a lasting, and memorable kitchen design.

We are moved by the idea that our efforts have significance, value, and meaning in the kitchens they are designed into. It is especially reassuring when our contributions to the culture and life of a kitchen is acknowledged and truly expresses a customer's ideas.
